Raices Cadadia Blanc Macabeo – Moscatel 2018

D.O.P Valencia • 12.5% Vol.

A bright, clear, beautiful golden yellow colour. Very fresh nose combining florals with notes of white flowers such as hawthorn and honeysuckle and fruity notes such as candied lemon, mango, melon and muscat grape. The mouthfeel is very fresh and medium-bodied, reminiscent of the nose, with a pleasant grassy note. The long finish is fruity and luscious, really making your mouth water. A summer wine that will delight a wide range of palates to be enjoyed with friends, as an aperitif or at the table.

Pairings: As an aperitif with fried anchovies, Galician style octopus, scallop carpaccio, sea bream en papillote, lemon chicken tagine, fruit salad, melon and Serrano or Ibérico ham or lemon meringue pie.
